New to the neighbourhood....!!

We're trying out a few new beers... ask our staff what we're pouring at the moment.

Cocktails

Non-Alcoholic

Pink Lemonade - 8

Traditional style, nice and tangy, with a hint of cranberry. A perfect palate cleanser.

Shirley Temple - 8

Liquid reminiscence, and damn refreshing. Orange juice, dry ginger and a splash of house grenadine make for a perfect non-alcoholic option.

Watermelon Highball - 8

Fresh pressed watermelon juice, with enough citrus and mint to make you believe it's summer all year round. Goes well with Fried Chicken.

Peach Sweet Tea - 5

A staple at any Barbecue joint worth its salt.

Light/Aperitif

Foreign Cinema - 17

No need to stay up late and watch SBS anymore, we've got what you need right here... Strawberry infused Manzanilla sherry, French vermouth, and a splash of XO rum. Perfect before dinner - it's light, refreshing and will set you up for what's to come, whatever that may be!

The What-Not Highball - 14

This drink is the perfect accompaniment to an afternoon in the sun... it may become your new favourite. Vermut Negre vermouth, grapefruit rosé and what-not are served tall, delicious, and topped with dry ginger ale. I Can't Believe It's Not Pimms!

Minnie the Moocher - 19

The cocktail that may just change your mind if you think you don't like Absinthe. Undertones of lime, almond and mint are shaken until frothy, and balanced with just enough dry vermouth to keep it light. An absolute must try.

Champagne Charlie - 19.5

Ol' Charlie Chaplin just got a little cheekier! Plymouth Sloe gin, apricot brandy, fresh grapefruit, plum bitters, and a hefty splash of Mumm Cordon Rouge Champagne. It's the "Little Tramp" in a fancy suit.

Tall/Fizzy

Hurricane - 19

Le Bon Ton's No.1 seller makes the good times roll a little faster, especially now that it's served on tap! One of the original and best post-prohibition cocktails is also a long-time favourite of the Big Easy. Havana Club 7yo, fresh pressed citrus, passionfruit and pomegranate mixed and kegged in-house. Served long with a smile.

Spring Clean - 18

The cocktail equivalent of tidying your room - sort yourself out with this little number and you'll instantly feel better about your life*. Martel VS Cognac, citrus, scorched orange syrup and a hint of almond, served tall and finished with fresh flowers. Just like Gumption, this drink is gonna help you get the job done.

*Results may vary based on disposition.

Snake Oil Merchant - 17

Step right up for Kenny's marvellous medicine! Guaranteed*, testified and certified to take a Bulleit™ to hiccups, rickets, acute mania, biliousness, delirium and all manner of ailments and maladies!

*Maybe not, but fresh orange, allspice, citrus, ginger and bourbon make for a delicious remedy.

Stone's Throw - 18

You are currently a mere stone's throw from Flavour Town. Get involved with our Summery twist on the Lagerita – Calle 23 Blanco tequila, Aperol, fresh pineapple and agave nectar all topped with a splash of Sierra Nevada Torpedo IPA. Summer just got delicious.

Le Bon Ton Bloody Mary - 18

Ketel One vodka, house-smoked tomatoes, char-grilled capsicum, fresh citrus and Old Bay seasoning. Add house pickle juice, jalapeño hot sauce and a splash of red wine and it's as good as they get. Garnished with all the fixings.

Fresh/Zingy

Lillypad - 18

Fresh white peach, Beefeater gin infused with peppermint, and aromatised wine, balanced off with a hint of citrus. Cute as a button, tasty as hell, and as satisfying as Mario finally rescuing the Princess.

Mojo Hannah - 18

Just like the mojo-workin' woman in the song of the same name, this cocktail could make a dead man jump and shout. Sailor Jerry spiced rum, fresh watermelon, Cartron white cacao and hints of citrus and absinthe will dance across your tongue like ol' Hannah put a hoodoo on it.

Fresh/Zingy continued...

Southern Belle - 18

Fruity, delicious, and the life of the party. Zubrowka spiced vodka, apple, peach and passion fruit. Perfect at any time, you may as well go ahead and order your second one now.

(Population: 0) - 18

Welcome to sunny Jonestown! Join us... for Martel VS cognac, Solerno blood orange liqueur and a spiced ginger & citrus syrup! This time we promise it's OK to drink the Kool-Aid.

One of us... One of us...

Bullseye! - 18

Guaranteed to hit the mark. American apple brandy and South American grape brandy meet in the middle with rhubarb liqueur and a splash of lime, topped with a hint of fizz.

60% of the time, it works every time.

Penicillin - 19

A modern classic. Now famous around the world but born right here in sunny Melbourne. Smoky Laphroaig 10yo scotch whiskey, ginger, honey and lemon. Takes the sour to a whole new level.

Stronger/Boozy

Sazerac - 19

The quintessential New Orleans cocktail, high up on the list of drinks to try before you die. Stirred down and given depth with an absinthe rinse and a twist of lemon. Try it with Bulleit rye whiskey, Martel VS Cognac, or our favourite: "New York" style with a blend of both.

Clubhouse Cocktail - 20

Settle down in a comfy chair in front of the fire and relax*. Bulleit rye whisky, smoked maple syrup and a dash of blackberry make for a sophisticated sipper that will make you wish you had a log cabin to visit.

*Serving suggestion.

Haymaker - 18

Like Brad Pitt in Snatch - it's Irish, punchy, and you might not understand everything it says. But hot-damn don't we love it. Jameson Irish whiskey, Lillet Blanc, Fernet Branca and ginger vinegar make for a fine end to a meal. D'ya like dags?

Vieux Carre - 18

Named after New Orleans' oldest suburb, a cocktail couldn't achieve such lofty heights unless it was this damn good. Martel VS Cognac, Bulleit rye whiskey and Antica Formula vermouth with lashings of bitters and Bénédictine liqueur. It's the perfect cocktail for a serious drinker.
