

PAPA GOOSE

MODERN BRITISH FARE

Modern British Fare is not so much a revival of traditional dishes, but a re-interpretation with a focus on integrity, finesse and a freshness of palate all with the underlining eclectic nature of what contemporary dining is today.

Our Wine List reflects the diversity of this cuisine and the multicultural city we live in. We showcase not only the best of Australian regions but also provide good examples of the old world.

We restrict the reprinting of these lists to once per week in the interest of reducing the environmental impact also using recycled paper.
