

CORPORATE & SPECIAL EVENT PACKAGES

Showtime ... it's your show!

Showtime is Melbourne's most versatile and unique events space offering the perfect riverside venue for anything from Corporate Events to Special Events to Weddings. With its custom designed bespoke feature bar matched with in-house catering service designed by our Executive Chef and coupled with the industrial glam fit-out of this Heritage listed maritime wharf shed this is the ideal opportunity to put on a show that will impress!

Formerly known as Shed 11 and now known as 61 South Wharf Promenade Showtime has been meticulously restored over the past two years turning what was once an industrial installation into a lively and stylish venue for the denizens of Melbourne.

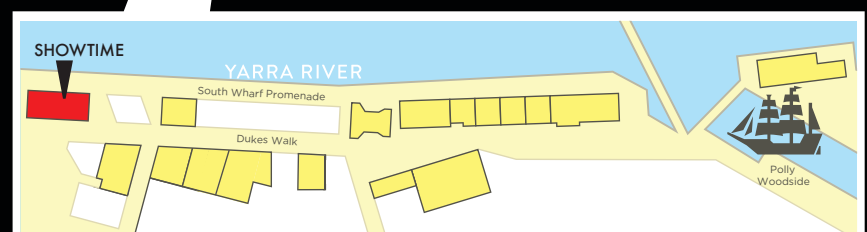

The venue's heritage gives it a unique atmosphere - contemporary, yet distinctly established. Many original features have survived the shed's recent history, such as the original roof trusses, the chamfer timber posts and the restored old wharf timber floor boards. The lower section of the wall and the beautiful detailing on the eaves remains.

Matching Showtime's unique interior decoration, the purpose built custom bar features exquisite overhead chandeliers set above beautiful polished stone bench top - the perfect feature to wow your guests!

Showtime has a character, warmth and feel that is to sure to impress each and every one of your guests.
