AT

THE FREEDOM  
HUB

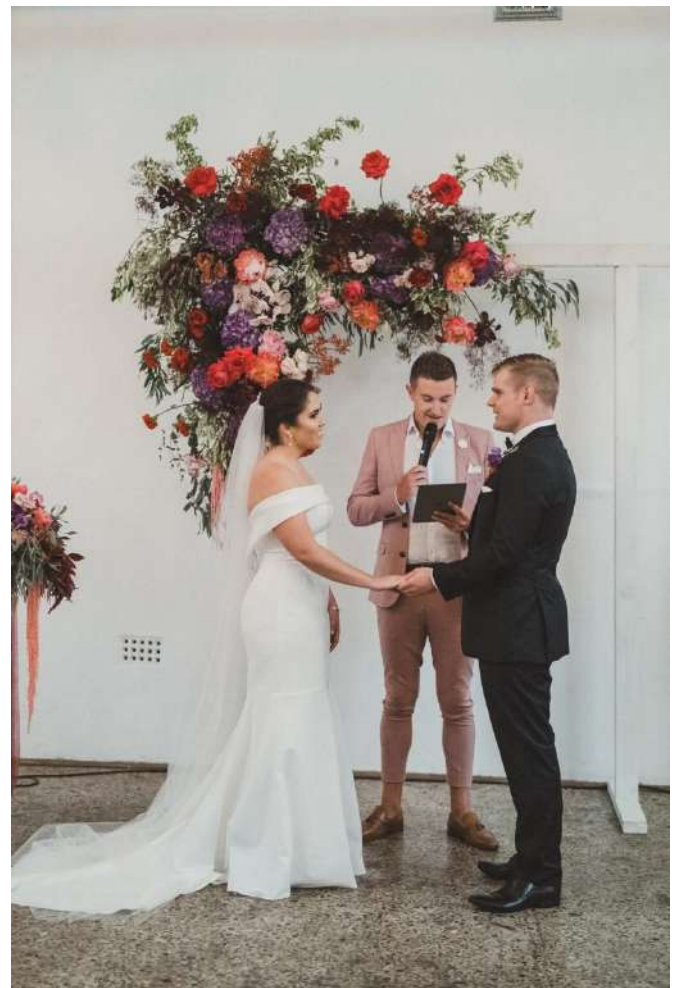

# FEATURES OF VENUE

Situated in what was once a Sydney industrial area, the Freedom Hub Warehouse captures the heart of early days, yet styled with a modern industrial decor. Our venue is 100 years old, with an original floor of hand-smashed river pebbles and steel beams in the ceiling to hoist the heavy machinery of an 1900s automobile garage.

Close to the airport for travelling guests, close to airport hotels for your early escape onto your honeymoon with plenty of parking on the weekend.

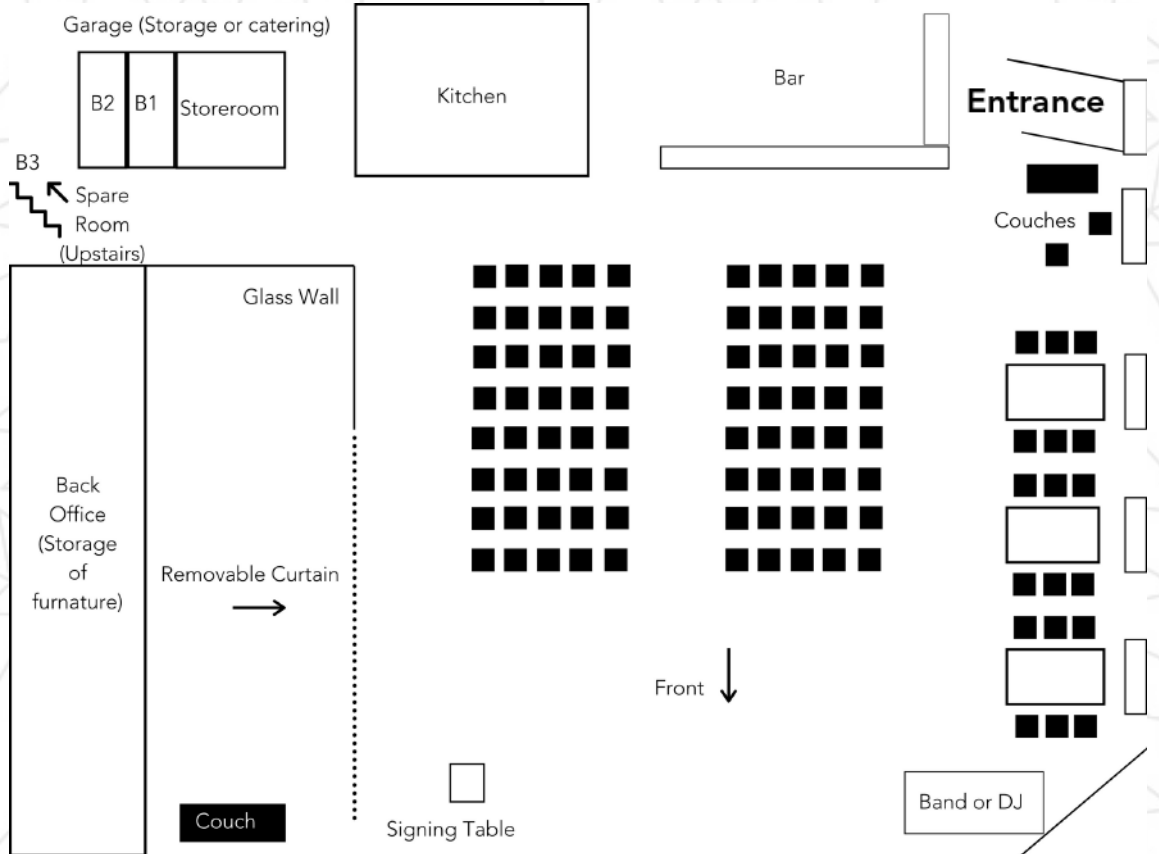

Walking distance from Green Square station and buses from Central Station (301,302,303,304,320,343) pass by a few meters away, along with wide streets for taxis to stop by for your guests.

# STYLING SUGGESTIONS

To see more photos go to  
<https://thefreedomhub.org/events>

Human trafficking and slavery happens within Australian borders.  
The Freedom Hub runs a Survivor School to support victims of this crime.

Our two cafes and event space raise funds and become a focal point for community involvement and awareness. As a result, the administrative costs of running our Survivor School for victims are covered by the business. So supporters' donations go directly to helping survivors rebuild their life and recover from trauma.
