GENERAL NOTES

All work to be in accordance with local authority's building codes and standards. The BCA/NCC and all relevant and current AS/NZS standards.

Do not scale off drawings. Use figured dimensions only.

Verify all dimensions on site before ordering materials or commencing construction.

Builder/Contractor to notify Biasol immediately of any discrepancies or errors in documentation.

Workmanship shall be of the highest possible standard and to the satisfaction of Biasol.

These plans remain the property of Biasol and are subject to © Copyright regulations.
