GET TO KNOW US

Like many brilliant ideas before it, Bowden Brewing was formed over a few beers. Six years ago, a group of mates were enjoying a few pints and thinking up how they might be able to break the mould and chase their dreams of brewing.

Fast forward to today and that group of mates have left their nine-to-fives behind to follow their dreams and opened Bowden Brewing, Adelaide's newest craft brewery.

Come and find us in Plant 3 Bowden and blow the froth off a couple with one of the brewers or enjoy our selection of independently owned, Australian spirits and wine.

FOOD BY MASA

Masa is our in-house Mexican restaurant, on the menu you'll find food inspired by the rich street-food culture of Mexico but cooked with techniques and ingredients from the many cultures that make up Australia's multi-cultural food scene. Just like the beers themselves, the ethos of the kitchen is to keep things simple while using the freshest ingredients possible sourced from our amazing local producers.
