Magic Mountain Saloon

OUR SPACES

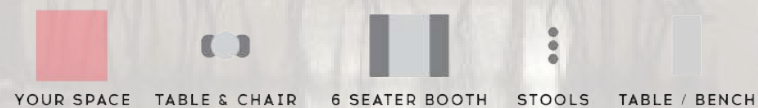

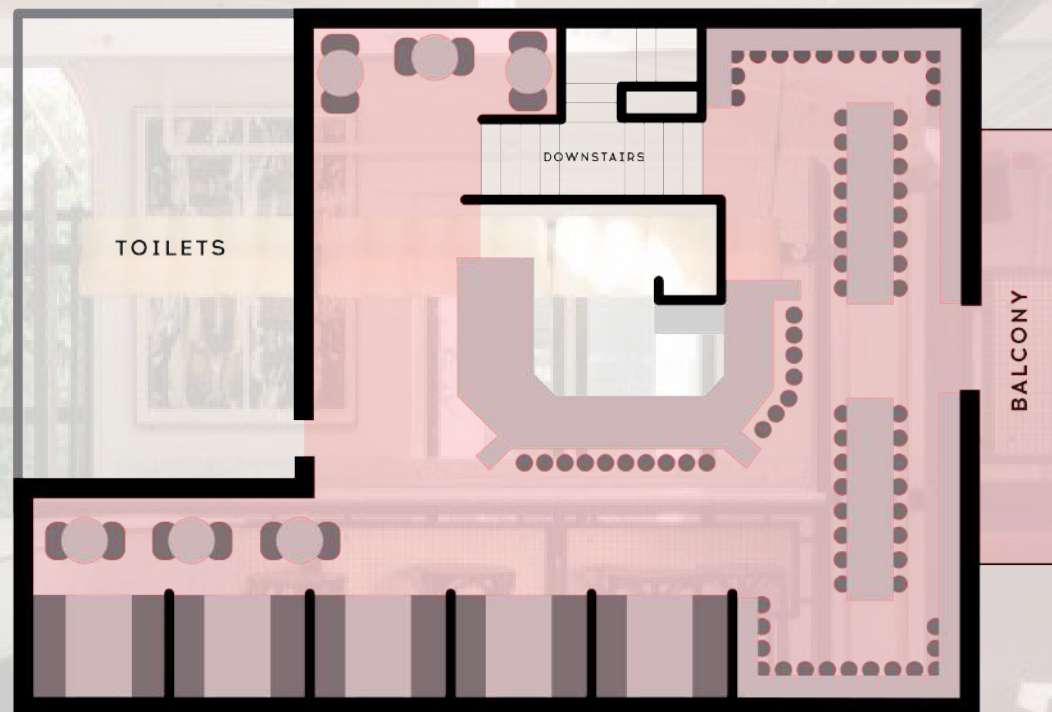

THE MOUNTAIN TOP

Our beautiful top floor is bathed in natural light from our floor-to-ceiling windows and skylights. The exposed bricks, and original beams across the high ceilings give the space charm and authenticity. Head out onto the balcony overlooking lively Little Collins Street - gaze upward and see the surrounding city skyscrapers towering above you.

A large marble bar is conveniently situated in the center of the space. The seating areas are comprised of cosy, private booths, bar stools around large share benches and intimate tables of 2. There is ample standing space for mixing with your guests.

The Mountain Top can be hired exclusively for up to 120 guests.

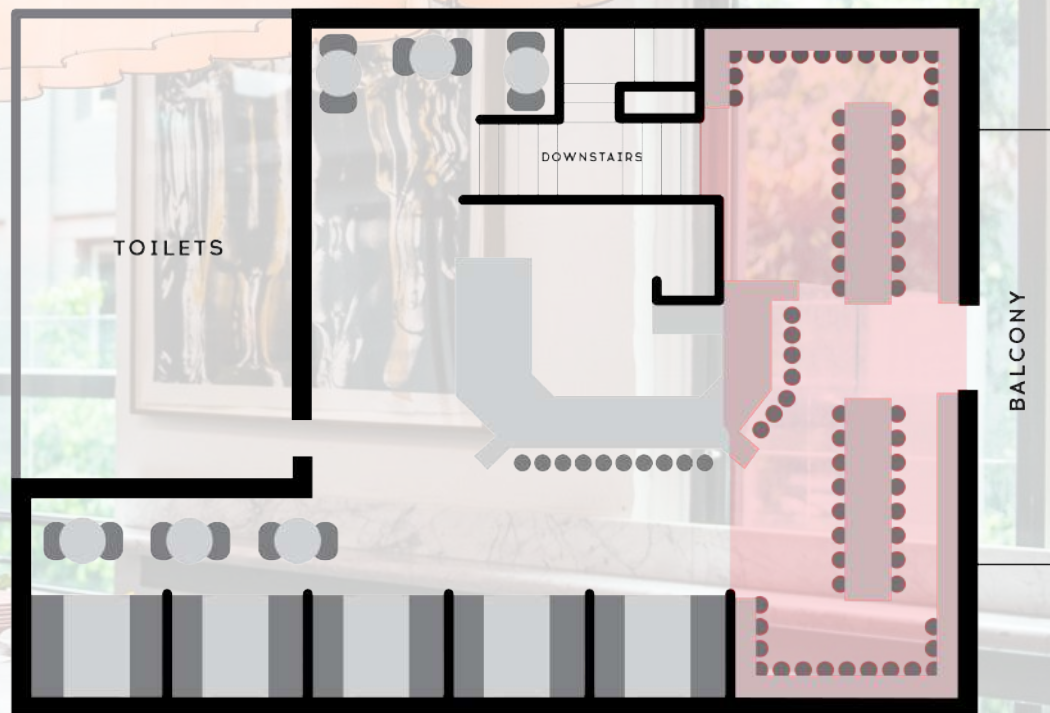

THE MARBLES

At the back of our top floor space you'll find two long adjacent tables we've coined "The Marbles". The perfect space for a whole scope of functions, think anywhere from boozy brunches, to corporate lunches. These share tables are fabulous for feasting and socialising. There is copious standing space surrounding The Marbles, ensuring you can stretch your legs in between courses, and say hello to that distant cousin at the other end of the table.

This space allows you direct access onto our city balcony, and up to 30 seats for your guests.

THE MEZZANINE

For a more intimate group dining experience, we present “The Mezzanine”. Our mid-level zone offers the perfect vantage point on the mountain. Whilst remaining tucked away in this semi-secluded space, look out onto the ground floor restaurant and bar below and people watch in privacy. The Mezzanine also offers you front row seats to our resident DJs - ask nicely, they might just be taking requests.

We would suggest The Mezzanie level for up to groups of 10 guests.

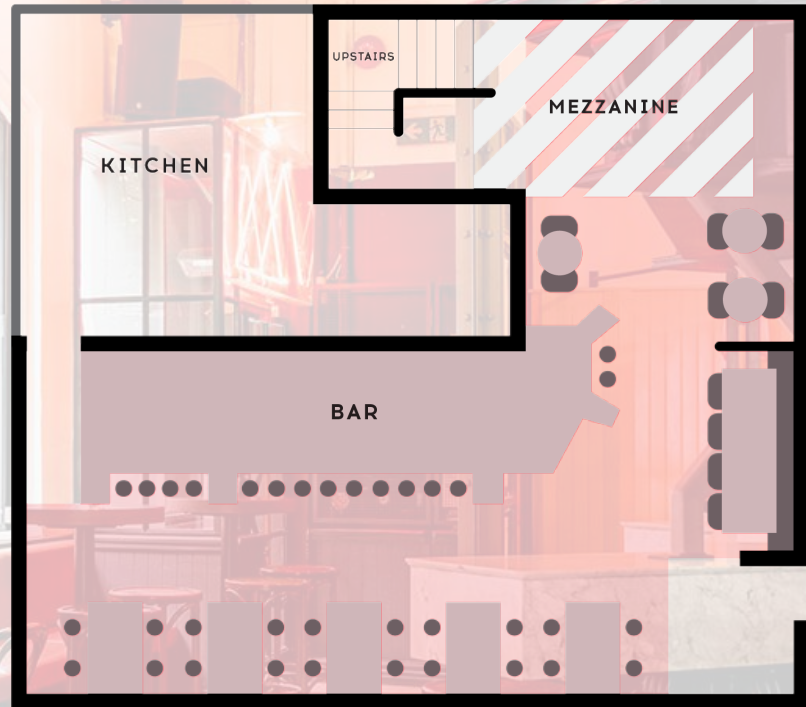

BASECAMP

Our ground floor “Basecamp” is an ideal space for cocktail parties. With a range of seating, from booths to high top tables, as well as ample standing (or dancing) space, this really is a fantastic area to host a party. The long bar on this level runs centrally and is easily accessed from many points. Our high ceilings, archways and dramatic murals all play into the unique atmosphere of this space.

Basecamp can comfortably hold up to 50 guests.
