ABOUT US

Oche (pronounced “Oc-key”)

Oche is a unique experience like no other, that allows you to be fully immersed in the moment. Taking the age-old game of darts and reinventing it into the modern world. Imagine real dartboards and steel-tip darts delivered with state-of-the-art technology that keeps score for you. Named for the line that players stand behind when throwing darts, the first Oche opened its doors in October 2018 in Oslo and has quickly spread across the world with locations in Melbourne, Amsterdam, Sweden, and London. Coupled with conceptual cuisine and beverages from renowned chef, Anthony Charman, and world-class mixologist, Adam MacDonald, Oche sets a brand new standard for the future of social dining.
