Brisbane's Home of Live Music **MEET SUPERFLY STUDIOS**

Welcome to Superfly Studios, the ultimate destination for live music lovers and partygoers in Fortitude Valley. Our venue is the perfect blend of sophistication and rock and roll, and we're here to bring the heat every Friday and Saturday night.

We're open until 3am every Friday and Saturday night, so you can dance until the sun comes up.

It's free entry, so everyone is welcome to join the party. We don't care who you are, where you come from, or what you're wearing – as long as you're ready to have a good time.

Our bar is fully stocked with all your favourite drinks, whether you're in the mood for a classic cocktail or a cold beer. Our expert bartenders are always ready to mix up something special to get the party started.

RECORD ROOM

You want a private room? Of course you do! We can host up to 40 folks in our private record room for as long as you like throughout the night. For a minimum spend of \$1000 you have the whole area reserved from open until you finish partying! The minimum spend can simply be set up as a bar tab.

CATERING MENU

Our menus have been carefully designed by our caterers to ensure you have delicious food throughout your function. We have three catering options available:

DRINKS

We don't want to limit your booze options during your event so all drinks are managed through a bar tab. You can select from our large list of premium wine, beer and spirits. Or grab a one of our house or classic cocktails. If you would like to organise something off menu or custom for your event, that's fine too! Just let us know when booking your event in and we can source any and all libations you wish.

ENTERTAINMENT

We have a stage big enough to fit your favourite band, comedian or motivational speaker! With a full in house backline provided with the space we can also help source a band for your function. We also provide a sound engineer for the evening to ensure the event runs smoothly and the sound is perfect.
