One of Sydney's OG wine bars, tucked away in the backstreets of Darlinghurst, Love, Tilly Devine is the perfect space to host an intimate dinner or rowdy party. Inside, you'll find a cosy, candlelit bar spread over two levels with stools for perching on at the windows downstairs, comfy booths and standing (or dancing) room on the mezzanine level.

Mezzanine

Our mezzanine level is the perfect space for up to 16 guests for seated dinners. Overlooking the downstairs bar, the space is private but still part of the action: the best of both worlds.

Whole venue

The whole venue can be booked for 25 to 40 guests, which will give you access to all areas including our laneway tables, for the entire evening.

Our food menu is thoughtful, honest and showcases the peak of Australian produce. Small dishes can be offered as roaming snacks, alongside grazing plates of meats, cheeses and sourdough. For more substantial offerings, we have handmade pasta from our sister venue Fabbrica. The styles and sauces change regularly and we are happy to accommodate dietaries. Dessert is taken care of with a seasonally changing sweet treat to end the meal.

For seated dinners we offer a \$65pp set menu, see sample [here](#). For standing events we can create a menu to fit the occasion, the roaming snack selections start from \$55pp, with the option to add additional items. Please let us know if you would like to see this season's menu.

The wine list at Love, Tilly Devine is as rebellious as our namesake, showcasing Aussie winemakers working biodynamically and doing things a little differently. You can select from a 300+ bottle wine list, ranging from classics to up-and-coming winemakers producing their first vintages. We also have a concise selection of cocktails, beers and non-alcoholic beverages to quench all thirsts.

Let us know what you love to drink and we can create a bespoke beverage package for you and your party. As a starting point we recommend allocating at least \$60pp for beverage. The final amount will be based on the type and range of drinks that you would like to offer.
